ALUCRAFT
REFLECTING EXCELLENCE

Date 28th April 2015

To whom it may concern

Dear Sirs

I know Ian O'Connor for some 10 years now and have dealt with him many times during his employment as a managing surveyor in Walls Construction Ltd. During this time I found him to be very courteous and professional in all his dealings with us. He is very knowledgeable on contract law and administration and quite frankly would prefer him to be on my side when dealing with technical and contractual matters. We wish Ian well in his new business and look forward to employing his services into the future.

Yours faithfully,

Jack McHugh
