Ian O'Connor – LEA Consulting Ltd Reference Testimonial

To whom it may concern,

Having known Ian for a number of years on a purely commercial basis I can highly recommend that he has always acted in the most professional and ethical manner.

Within the sphere of business encompassing our association I have been impressed with his knowledge, dedication and tenacity in dealing with what has been a delicate situation at times.

Without doubt I would say that Ian brings to whatever task he is given a sense of determination to achieve the results required.

Yours Faithfully

Anthony J Fenton
Group Joint Managing Director
